Subject: Parking Change Request

Hi Amber,
I am writing to you to request a change in the parking on the West side of South 8th Street in front of our office. It is currently unrestricted parking and I am requesting that it be changed to 2 hour parking.

We have had numerous customer complaints about vehicles being parked in front of our office for extended periods of time. The vehicles seem to belong to residences on the East side of the street directly across from our property. These residences have off-street parking and unrestricted parking on the East side of the street to utilize.

I have purchased the property south of our office and improved it for parking, however, during busy periods of the year we have customers utilizing the street right out of our front door. Please feel free to call me with any questions at 682-6661.
