Right of Way Obstruction

For a Street Light Out, please report the concern to Manitowoc Public Utilities.

Brief Description (or other problem not listed)

There';s been a lot of times going to work where cars do not yield for the right of way and instead speed and merge. I have seen and been in many close calls because other cars do not follow the two YIELD signs. There are more than one yield sign and no one pays attention to them. Today i almost hit a car merging in that did not yield and the driver flipped me off. No one pays attention to these Yield signs, please make it a Stop

sign so there';s a less chance of an accident.
