## YOUR RECENT GIFT WAS A BLESSING.

*We are so grateful.*

Dear Friend,

Your recent gift of \$40.00 to The Salvation Army was a true blessing.

You recognize the needs of your community. Every day, even people who once donated to The Salvation Army are now using our programs and services. Your kind donations allow us to offer food, shelter, spiritual assistance, and more to our neighbors who are struggling. With your help, we show them better days ahead. We help them change their lives.

Your gift has that power! It's your generosity and kindness that make our community a stronger, better place.

Thank you for making the needs of others a priority. Your support is vital to all that we do.

May God bless you for caring.

Sincerely,  
Lieutenant Jenny L. Moffitt  
Corps Officer

P.S. Thank you for helping your less fortunate neighbors. Your generosity is a true blessing.

# THANK YOU

You play a vital role in everything that The Salvation Army does. With your help, we can provide for those who turn to us in times of great need. Because of your support ...

## THERE IS NO CRISIS THAT CAN'T BE NAVIGATED

The Salvation Army is there, wherever the need may be. Our Emergency Disaster Services (EDS) provides help and relief in the face of great loss and disaster. EDS worker Rick knows this personally:

*"When there is a disaster, The Salvation Army is brave."*

## THERE IS NO HUNGRY PERSON WHO CAN'T BE FILLED

Everyone deserves to have food, but as The Salvation Army sees every day, some members of our community are unable to get the food they need. The people who come to our door know that we are there to nourish them, both physically and spiritually.

*"People come to The Salvation Army for all sorts of reasons. They know they'll find help — not just for their basic needs, but emotional and spiritual help, too,"* says volunteer Debra.

## THERE IS NO FAMILY THAT CAN'T BE SUPPORTED

Families that come to The Salvation Army are facing times of crisis and great stress. Whether it's assistance making ends meet or help with the costs of groceries and other necessities, The Salvation Army is there to help mothers and fathers provide for their loved ones.

*"We can see now that it was the hand of God that brought us here,"* Jennifer recalls.

## THERE IS NO SENIOR WHO CAN'T BE CARED FOR

Senior citizens are respected and cared for when they come to The Salvation Army. From help with utility bills, to help covering the costs of prescriptions, seniors know they can turn to us for support.

*"It makes me proud to say I've been at The Salvation Army,"* Joe says.

## THERE IS NO INDIVIDUAL WHO CAN'T BE SHELTERED

We open our doors to people who have nowhere else to go. The Salvation Army shelters folks who have fallen on hard times. Charelene and her family know this personally:

*"I don't know if I can really express how I feel about The Salvation Army. Just grateful."*

Represents national Salvation Army programs. Not all programs or services are offered in all areas.
