I finally had a chance to look at this yesterday.

I am not sure why there is such a large area with no parking stalls painted.

I am wondering if there was a bus stop there at one time??

We should not just be putting up a sign without creating an ordinance for it. Therefore, this issue should really go to the Public Safety Comm.

There is about 50 feet plus or minus from the crosswalk to the light pole/first parking stall.

See the attached map.

Good Afternoon,

I've spoke with the owners of What the Lock, as they're the ones who came with this request and are just asking for a sign to be put up to inform the public not to park after the pole to the crosswalk. If we can resolve this by just putting up a sign and not going to committee with Greg's approval and recommendation that should be sufficient.

Thank You.

Respectfully,

Alderman Vanderkin

Thanks Amber. I corresponded with Alder Vanderkin today regarding the sign code. Please wait until either you or I hear back from him regarding his sign code concerns before adding that item to the agenda. Your suggestions regarding staff input for the remaining two items makes sense.

We may be able to resolve some of the traffic violation issues with increased enforcement during start and close of school but that will depend on officer availability.

Parking regulations at S. 12th and Washington are currently in place as follows:

South 12th Street.

(a) On the east side of South 12th Street from the south curblineline of Washington Street to the north curblineline of Marshall Street from 10:00 p.m. to 6:00 a.m.

(b) On the west side of South 12th Street beginning at a point of 128 feet north of the north curblineline of Washington Street, thence continuing north a distance of 78 feet, except for the sole purpose of loading and unloading motor vehicles.

I think What the Lock is on the east side of South 12th so if we want to eliminate parking there, we should notify What the Lock and offer them an opportunity to attend PS to discuss.

We don't currently prohibit parking on Washington Street in that area but there is a state law prohibiting parking within 15 feet of a crosswalk (Wis. Stat. 346.53(5)). It looks like the pole is about 50 feet east of the crosswalk line and that stretch is not painted for parallel parking stalls. This may be a good opportunity for an ordinance update but I'd still want Minikel's, What the Lock's and any other impacted business's opinion before making the change.

Subject: RE: March Public Safety Items

Good Morning,

I can certainly add these items to the next agenda with approval from Alder Schlei. Below I provided a few comments about the items you would like discussed. I would highly recommend talking with our City Staff about these items before taking them to committee.

1. Discussion on S 8th and Columbus St. students from Lincoln High School loitering, speeding, and being unruly. Also issues with parking from students and parents not parking in lots during after school/weekend functions.

It might be a good idea to reach out to the School Resource Officer with your concerns. Officer Check is assigned to Lincoln and is very proactive and can take the time to look into the issue. She can be reached at mcheck@manitowoc.org or 920-669-9621. I will also copy her in on this email.

2. Discussion and possible action on S 12th and Washington St. setting up a No Parking sign on the pole out side of What the Lock to inform people not to park after the pole ends on the north side of the street.

I would talk with Greg Minikel about this. If this area is already "No Parking" per ordinance and there is an existing pole staff might be able to just install a sign at this location. I will copy Greg in on this email so he is aware and can look into it.

3. Discussion on potential further action on the Manitowoc sign code.

I would recommend talking with the City Attorney's Office to see if there is something in the works on this (after the discussion from last month Attorney Majerus did take notes). Attorney Majerus is assigned to the PS so I will copy her in on this email. Also, do you think this topic might be best for Committee of the Whole?

As always please feel free to use me as a resource if you are unsure who to discuss any item with.
