To whom it may concern,

When Northern Pipe Inc completed the bidding for the WU-22-25 Televising Miscellaneous Sewer II Project for the City of Manitowoc we understood that items 11 through to item 18 were for the televising of various sewer pipe sizes for this project and bid it as such. We are comfortable with how the contract was written and moving forward with the pricing we had originally bid for the cleaning and televising for this project.

If you should have any further questions or concerns regarding this matter, please feel free to contact me at 920-468-7074.

Sincerely,

Tim Potts, President
