Re: Zoo donation tube fund request: Annual Landscaping

Staff is requesting \$3000 from Zoo donation tube to supplement the total payment for annual landscaping services at the Zoo. The annual scope of landscaping services provided by Cretton Landscaping is \$8800 in total. The Zoo Society provides \$4000 towards this amount and the City covers the remaining \$4400 (\$3000 from donation tube and \$1800 from operating budget). This is the 3rd year in a row that the City has partnered with the Zoo Society to fund the desired services with this approach.

Respectfully,

Zoo operations staff
