

## Out of State Travel/Training Request Presented to Oversight Committee for Approval

Requesting Supervisor/Manager: Todd Blaser Department: Fire Rescue

Names of Employees Attending: Jason Pielhop

Name of Training	Dates of Training	Location of Training
Image Trend Connect 2022	July 20-22	St. Paul MN

Estimated cost of training	\$ 650
Estimated cost of travel	\$ 200
Estimated cost of meals	\$ 100
Estimated cost of accommodations	\$ N/A
Estimated cost of misc. expenses	\$ N/A Please explain
Any anticipated overtime costs	\$ N/A
Total estimated cost	\$ 950.00

Requesting Supervisor/Manager Comments:

Provides an opportunity to network and attend workshops regarding our FireEMS software reporting system.

What are the objectives for the training?

meet with other fire professionals and learn first hand from the vendor and support staff of Image Trend the potential and full capability of software.

How will this training be shared / implemented upon return?

Benchmark reporting and COI opportunities will be shared with administration and staff upon return from conference.

How will this training benefit the City? What is the return on the investment?

The investment requested is time. The information obtained at this conference will be shared in order to stay abreast of any industry trends that might either enhance or make the organization more efficient

Supervisor Approval/Decline
