MEMO

TO: Public Infrastructure Committee

FROM: Dan Koski, PE, Director of Public Infrastructure

DATE: February 18, 2022

RE: WU-22-10 Watermain Extension South of Viebahn Street

Members of the Public Infrastructure Committee:

The City received eleven bids for the above-mentioned project. After tabulating the bids, and ensuring the low bidder Kruzcek Construction, Inc. is not on any debarred list, we recommend awarding the project to them.

We therefore recommend awarding to Kruzcek Construction, Inc.
