**FROM:** Jeremy Walvoord, Buildings and Grounds Manager

**RE:** Requesting up to \$8,000 Aquatic Center pool amenities gel coating

Request for up to \$8,000 for gel coating water spouts at the Aquatic Center from the operating budget.

I recommend the City have the pool amenities re-gel coated due to the harsh chemicals and the gel coating is peeling off the amenities and clogging up the strainers on the pool pumps. This work will be done by an outside contractor.

- Property maintenance of the pool amenities will keep them looking nice and they will last longer.
