RE:

River Point Bid Add Alternate #1

On March 10th of 2021, the Board of Public Works met to receive bids for River Point Development, Phase 1, WS-21-15. At that time the City Clerk reported having received one (1) e-bid. Same was opened and accepted online through Quest and was as follows:

NameBid BondTotal Base Bid & AlternatesVinton Construction CompanyBid Bond\$4,992,413.29

The Board of Public Works motion unanimously carried to refer the bid to the Director of Public Infrastructure for tabulation and recommendation. The bid received was both reviewed and qualified. A base bid total only, without any alternates, of \$3,444,849.56 was found to have an error in bid quantity. Upon remedy of the quantity error, the correct base bid total was \$3,131,641.56. The City awarded the corrected base bid total at their meeting on March 15, 2021 (See attached tabulation).

With the current contract still open for the base bid and the funding that has been approved for additional work within River Point in 2022, staff is recommending the additional award of Add Alternate #1 at a cost of \$893,647.93 with a completion date of 6-22-2022.

The work contemplated under Add Alternate #2 and the additional work surrounding the kayak launch, boat docks and riverfront will be bid later in 2022.

If there are any questions, feel free to contact me at ategen@manitowoc.org or 920-686-6931.
