Re: QE-22-5 Mobile 4 Column Lift System with Remote Control
QE-22-6 Heavy Duty Truck Wheel Balancer
QE-22-7 Rotary Heavy-Duty Tire Changer

Recommending approval to US Petroleum Equipment for the Quotes referenced above.

US Petroleum has met all the spec requirements in all 3 of their equipment quotes that follow all State regulated requirements to quote state 80% funded purchases for equipment to be used in the Maritime Metro Transit mechanics shop.

The US petroleum quotes are lowest of the three companies that have submitted quotes to the city and US Petro's quotes are with-in the city's budgeted dollar amount.

Tabulation Of Quotations Received June 30, 2022
 For MOBILE 4 COLUMN LIFT SYSTEM WITH REMOTE CONTROL

QUOTE #QE-22-5

Recommended Bidder

Name of Company Submitting Quotation	Unit #	MOBILE 4 COLUMN LIFT SYSTEM	Extra Options	TOTAL

DATE

U.S. PETROLEUM EQUIPMENT STANDARD TERMS & CONDITIONS APPLY TO ALL.

PLEASE SIGN AND RETURN. THANK YOU.

This proposal may be withdrawn by us if not accepted in 15 days or a result of inventory changes.

**TERMS & CONDITIONS OF
U.S. PETROLEUM EQUIPMENT, a division of U.S. Venture, Inc.**

Acceptance of Proposal. The accompanying Proposal, when accepted by Customer, will constitute a contract between U.S. Venture, Inc. d/b/a U.S. Petroleum Equipment ("USPE") and Customer, subject to all terms and conditions that follow herein and the approval of USPE's credit manager. Delivery of the materials/equipment herewith, installation of the specified equipment, Customer's acceptance in writing, and/or the issuance of an invoice, constitutes a binding acceptance by the Customer of the proposal herein. It is expressly agreed that there are no promises, agreements, or understandings, oral or written, not specified in the Proposal and these Terms and Conditions.

Scope of Work and Payment. All equipment and services shall be provided as set forth in the Proposal. USPB shall be paid for work performed as follows:

1. Terms for services are specified in the Proposal. Terms on the invoice apply unless otherwise specified in the Proposal. Current terms on the invoice are net Ten (10) days from Customer's receipt of the invoice.
2. Terms on the invoice unless otherwise specified in the Proposal, are net ten (10) days from Customer's receipt of invoice.
3. In the event USPE has not received payment for all fees and cost according to the terms of the invoice, Customer agrees to pay a late payment fee on the unpaid invoice balance at the rate of 2% per month commencing upon the expiration of the invoice terms and continuing until paid.
4. Customer also agrees that if payments are not received according to the terms of the invoice, a stoppage in completing a project may occur without USPE incurring any nonperformance or other legal liability.
5. Customer agrees to pay all costs incurred by USPE in enforcing the terms of this Agreement, including but not limited to, costs of its collection agency and reasonable attorney's fees.
6. Credit card payments are subject to 3% card processing fees.

Prices. Prices quoted are expressly contingent upon all conditions being observed, represented, and warranted at the time of bid. Prices quoted cover only those items which are specifically set forth in the Proposal. All other items will be billed to Customer on a time and materials basis. The prices quoted are for acceptance within fifteen (15) days of the date of Proposal, unless otherwise specified, and are subject to change without notice after that date. Prices quoted do not include soil analysis or clean-up of contamination, unless specifically stated. Labor, materials, and outside services for electrical, concrete, blacktop, excavating or sewer work, and such work not included in the Proposal unless specified. Additionally, required local permits are not included in the Proposal unless specified. Prices quoted on equipment and repair parts are subject to federal, state, and municipal taxes and licenses, which may be in effect, or which may be imposed prior to the actual shipment of materials and equipment. All such taxes and license costs are the responsibility of Customer.

Rights of Offset. Customer acknowledges that U.S. Petroleum Equipment is a division of U.S. Venture, Inc. Customer acknowledges that U.S. Venture, Inc. and its divisions, subsidiaries, and affiliated entities ("U.S. Venture") may set-off any amounts that U.S. Venture owes to Customer, or to any of Customer's parent entities of any tier, affiliated entities of any nature, and subsidiaries of any tier, divisions, successors, and assigns, and any surviving, resulting, or transferee corporation, partnership, or other business entity of any one or more of them ("Customer Entities") against any amounts owed to U.S. Venture by any of the Customer Entities, whether such setoff arose before, concurrently with, or after the date for which U.S. Venture owes money to Customer.

Delivery. USPE will endeavor to maintain delivery dates and schedules but cannot guarantee them. USPE shall not be liable for any costs or damages of Customer under this provision, including, but not limited to, loss of profits or business.

Limited Warranty. All materials and equipment, whether new or used, are purchased "AS IS" from USPB. Products sold may be warranted by the manufacturer of the product but only to the extent of any warranty offered by the manufacturer. Unless specifically stated in the Proposal, Customer shall register the equipment with the manufacturer. Any manufacturer warranties existing on new equipment furnished as part of the Proposal are passed through from USPB to Customer according to each manufacturer's policy, and in such cases, Customer's warranty shall be limited to that provided by the manufacturer(s). Ordinary use; wear and tear; or damage from abuse, neglect, accident, maladjustment, or failure by Customer to maintain equipment properly is excluded from coverage.

For a period of one (1) year from the date of completion of the project, USPE will at its sole discretion, install any equipment or materials covered by a manufacturer's warranty. If an item(s) is not covered by manufacturer's warranty, Customer may at its sole cost, pay for the equipment and materials and USPE (at its sole discretion) will install at no charge to the Customer. This labor warranty from USPE is null and void in the event the Customer or third party performs subsequent work on the equipment installed or repaired by USPE.

CUSTOMER AGREES TO RELEASE, INDEMNIFY, HOLD HARMLESS, AND DEFEND USPE FROM AND AGAINST ANY AND ALL CLAIMS, LIABILITY, AND CAUSES OF ACTION AT LAW OR EQUITY FOR LOSS, DAMAGE, INJURY OR DEATH TO PERSONS AND PROPERTY, INCLUDING BUT NOT LIMITED TO ENVIRONMENTAL CONTAMINATION, LEAKS, SPILLS, RELEASES, OR DISCHARGES BY WHATSOEVER OR HOWSOEVER CAUSE OR SOURCE, ARISING OR OCCURRING FROM ANY NEW OR USED EQUIPMENT RECEIVED FROM BY CUSTOMER FROM USPE.

THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OR MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE EQUIPMENT AND SERVICES DESCRIBED IN THE PROPOSAL.

Limitation of Liability. USPE shall be liable only for damages that are the sole negligence of USPE and that USPB's total liability (if caused by USPE's sole negligence) shall not exceed \$50,000.00, or the total fees payable to USPE for the particular project, whichever is less. USPE shall not be liable for any special, punitive, incidental, or consequential damages (including without limitation, loss of profits or income, loss of use of property, business interruption, cost of replacing goods or services, or third party claims).

Any claims, demands, or cause of action against USPE arising from or related to in any way to the Proposal, or to work, services, or goods or products provided by USPE pursuant to the Proposal, must be brought within one (1) year from the date the work, service or provision of goods or products has been completed.

Compliance with Laws. Environmental compliance is Customer's responsibility. Its failure to comply strictly with applicable federal, state or local requirements, rules and/or regulations (including but not limited to those applicable to notice) shall completely void all warranties of USPE. Customer agrees to hold USPE harmless from and indemnify and defend against any claims or liability relating to Customer's failure to comply strictly with any federal, state or local requirements, rules and/or regulations (including but not limited to those applicable to notice)

Insurance/ownership/registration. Customer is responsible for maintaining (or ensuring that the owner of the property maintains if Customer is not the owner), evidence of ownership of the property on which the Project is taking place, insurance on the property and equipment purchased from USPE, and registration of any such equipment as may be required to comply with any local, state and federal laws, regulations or industry standards.

Termination. USPE may, without prejudice to any right or remedy, terminate its relationship with Customer and suspend all work or delivery of goods upon notice to Customer.

Unforeseen Conditions. If unforeseen conditions arise that affect the scope of services, time for performance, or the risk involved, USPE shall notify Customer. USPE may then, at its sole discretion, modify the scope of work, modify the price, stop work until arrangements satisfactory to USPE have been made, or terminate the services by notifying Customer in writing. USPE shall be entitled to compensation for its services performed through the time of termination. If abnormal soil conditions or weather conditions or other unforeseen conditions result in additional cost, those additional costs will be billed on a time and materials basis.

Jurisdiction and Venue. Customer agrees that this Proposal shall be governed by Wisconsin law and jurisdiction and venue will be the Outagamie County District Court of Wisconsin, or the Federal District Court Eastern District of Wisconsin (Green Bay Division).

Waiver of Right to Jury Trial. USPE AND CUSTOMER WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THE PROPOSAL OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS PROPOSAL. USPE AND CUSTOMER ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO THIS AGREEMENT. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE TRANSACTION CONTEMPLATED HEREBY. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Utilities and Underground Structures. USPE will take reasonable precautions to avoid damage to utilities or other underground structures. Customer shall indemnify, defend, and hold USPE harmless for any damage to utilities or underground structures, and from any claims, liability, or damages resulting from utilities or underground structures that were not properly called to USPE's attention. Such indemnity shall include payment of litigation costs, expert's fees, and attorney's fees incurred by USPE.

Duties of the Customer. Customer warrants that it has disclosed all adverse or unfavorable site conditions which may affect this Proposal. Customer represents and warrants that all information provided to USPE is complete and accurate. Customer represents and warrants it has and will comply with all applicable local, state, and federal laws. Customer shall protect the site against damage, injury, or loss and shall carry insurance in an amount sufficient to cover replacement values, naming USPE as loss payee and additional insured. Customer is responsible for providing Builder's Risk insurance coverage. Customer is responsible for providing liquid ballast for filling underground storage tanks immediately upon setting the tanks during excavation. USPE shall not be liable for damage to the ballast, including without limitation, damage due to contamination or loss of product. Customer shall keep accurate, daily inventory records on products stored in tanks, lines, and dispensing equipment and shall promptly notify USPE of all shortages or losses. Precision testing procedures performed on any portion of the underground storage tank systems are designed to detect leaks and USPE shall not be responsible for any contamination resulting from spills or releases which may occur before, during or after such tests.

PCI/EMV Security Standard Requirements. This Proposal may include components to assist with implementing a program to maintain compliance with PCI security standard requirements, but may not provide the entire solution. Additional items such as software, network gateways, and secure routers may be needed to provide full compliance. Periodic inspection of devices and components, along with tracking these assets, and ensuring a secure network with limited access is also an important part of maintaining compliance with the standards. If additional components, software or equipment are required, those additions will be billed on a time and materials basis along with the labor necessary to install, program and setup. Components supplied by the Customer must be approved prior to scheduling upgrades. USPE does not guarantee compliance as compliance with the PCI security standard is the sole responsibility of the owner/operator of the facility. CUSTOMER AGREES TO RELEASE, INDEMNIFY, HOLD HARMLESS, AND DEFEND USPE FROM AND AGAINST ANY AND ALL CLAIMS, LIABILITY, AND CAUSES OF ACTION AT LAW OR EQUITY ARISING OR OCCURRING FROM THE REMOVAL AND DISPOSAL OF CUSTOMER'S EQUIPMENT.

Hardware/software compatibility. In connection with this Proposal, the parties assume that any fueling system hardware and software supplied by Customer is inherently compatible and required only routine start-up programming. If on start-up, it is discovered that the hardware and/or software is not compatible or has innate deficiencies that require additional configuration or upgrading, USPE shall be entitled to full payment of the Contract Price under the Proposal including any extra charges to complete changes to customer equipment.

Digging/excavating clause. Digging and excavating quotations are based on normal soil conditions. Should any digging or excavating be included in the USPE Proposal, and any heavy rock, shale, water frost or unusual doffing be encountered, the Proposal price shall be increased at USPE's normal labor hourly rate except that any outside contract work required shall be charged at USPE's cost plus its customary administrative charge. In the event of cave-ins, and the necessity to shore or slope hole, all associated cost with the removal of the excess soil and replacement with either sand or gravel will be considered an extra and all such cost shall be borne by Customer. In the event underground structures, cables, conduit, debris, rock, water, utilities, or running sand are encountered, destroyed or damaged during the performance of the work, USPE shall not be held responsible, and Customer shall indemnify and save harmless USPE and its contractors, agents and employees from all suits, actions, or claims brought about by such encounter, destruction or damage. Should dewatering be required, the USPE shall not be responsible for disruption of adjacent backfill materials whether known or unknown at the time of excavation, repairs to paving, concrete, structures shall be borne by Customer. USPE is not responsible for removal/disposal of waste water if de-watering of the sump is necessary. Finished grades are to be established and verified by Customer.

Tank Floating Clause. Customer shall fill all underground storage tanks installed by USPE with liquid for ballast immediately upon notification from USPE that a tank(s) has been set into an excavation ("filling notification"). USPE shall not be responsible for any contamination or loss of product used for ballast. If any tank floats after Customer receives filling notification, USPE shall not be liable for any damages to equipment, and labor and materials cost to reinstall tanks, if floating occurs, costs shall be borne by Customer.

Cold weather Concrete. In the event that concrete is poured during cold weather, USPE is not responsible for chipping, cracking, or spalling of concrete, due to cold weather pours. Furthermore, USPE is not responsible for additional cost of heated concrete, unless otherwise specified in the contract. It is highly recommended that salt or any chemical based deicer is NOT used for a period of at least 24 months after installation to prevent concrete related problems.

Notice of Lien Rights. As required by the Wisconsin construction lien law, USPE hereby notifies owner/customer that persons or companies performing, furnishing, or procuring labor, services, materials, plans or specifications for the construction on owner's/customer's land may have lien rights on owner/customer's land and buildings if not paid. Those entitled to lien rights, in addition to USPE are those who give the owner/customer notice within sixty (60) days after they first perform, furnish, or procure labor, services, materials, plans or specifications for the construction. Accordingly, owner/customer probably will receive notices from those who perform, furnish, or procure labor, services, materials, plans, or specifications for the construction, and should give a copy of each notice received to the mortgage lender, if any. USPE agrees to cooperate with owner/customer and owner's/customer's lender, if any, to see that all potential lien claimants are duly paid. This notice is given for purpose of identification, and is not a claim to you or your lender for payment.

R541 COMMERCIAL HD

ELECTRO-HYDRAULIC CHANGER FOR TRUCKS, AGRICULTURAL AND EARTHMOVING VEHICLES

The dimensions and work strokes ensure maximum efficiency for an entire range of tires. The two-speed rotation chucking table can accommodate rims up to 44" and 56" (with VSG108A12 extensions set).

FEATURES

- Double ratcheting locking arm
- Double speed for chucking table rotation
- Tire paste lubricant and brush

SINGLE CARRIAGE MOVEMENT SERVICE TIRE DIAMETERS UP TO 90"

SERVICE TUBE and TUBELESS TIRES
The tool operates between bead and rim and demounts the tire.

MANUAL TOOL ROTATION WITH QUICK UNLOCKING RELEASE
HANDLE TO RAISE ARM
DOUBLE RATCHET LOCKING ARM
THRUST SPRING FOR EASY ARM RELEASE
RELEASE PEDAL ARM HOLDER

HYDRAULIC ARM MOVEMENT

Rotational control on portable wired stand

STANDARD ACCESSORIES

VSG108A2 / Standard clamp protections for alloy rims / 4 x kit

VSG108A3 Tire Lever

OPTIONAL ACCESSORIES

VSG90A6 Aluminum rim clamp

VSG108A25 Steel rim clamp

VSG108A12 Set of extensions to increase clamping capacity (4 x kit)

VSG108A34 Pneumatic bead pushing device

B5308000 Long bead lifting lever

TIRE DIMENSIONS

R541 services:

Optional equipment may be required

TECHNICAL DATA	R541
Chucking unit rotation motor	1.75 Hp / 1.3 kW
Hydraulic drive unit motor	2.95 Hp / 2.2 kW
Rim diameter	11" - 43"
With VSG108A12 adapters	44" - 56"
Maximum tire diameter	90.5" (2300mm)
Maximum tire width	51" (1300mm)
Chuck rotation speed (rev/min)	4-8
Power supply	220v / 3Ø / 60 Hz

R540 RLTD TRUCK 2D

2D TECHNOLOGY ELECTRONIC BALANCER with MICROPROCESSOR

AUTOMATIC BALANCING MODE

Versatile machine designed for easy, fast and accurate balancing of motorcycle, car and commercial wheels.

Microprocessor controlled with self-calibration and self-diagnostics.

Specific balancing programs for static, dynamic and ALU wheels. **EASY STATIC™ mode** - balance with one quick data entry. One single spin with low rotation speed provides all the values. Readout of out of balance values and the related position on the wheel. Wheel diameter and width in inches or millimeters. Split weight / hidden weight feature in passenger mode. Unbalance readout in grams or ounces.

AUTO STOP ON TOP / AUTO LOCK

Automatic stop of the wheel in the external unbalanced position.

LARGE DIGITAL DISPLAY
Integrated keyboard

STANDARD ACCESSORIES

GAR 111
Passenger tire cone kit
1.75" - 4" (44-104 mm)

GAR 112
Light truck cone
3.75" - 5" (95-124 mm)

GAR 113
Light truck cone
4.65" - 6.8" (118-174 mm)

GAR 114
202/221/281
2 Truck Cones
7.9" - 8.7" - 11"

GAR 122
Truck Spacer

GAR124 Spacer
May be used with GAR112 and the #8,9,10,11 collets

CALIBRATION KIT
Width Calipers
Weight Pliers
Calibration Weight

GAR 344
Quick lock

STANDARD AIR TIRE LIFT
441 Lbs. capacity

AIR BRAKE
Electro-pneumatic brake keeps the wheel in the unbalance position.

Wheel diameter: 10" - 30"
Tire width: 1.5" - 22"
Maximum tire diameter: 51"
