To whom it may concern,

My name is Tyler Tews and I am a Firefighter / Paramedic for the City of Manitowoc Fire Rescue Department. I am writing this letter to seek accommodation on the residency requirement. Currently, I am living in my childhood house with my parents as I'm saving for a mortgage. With the housing market being inflated it has taken longer than expected to save the funds needed to set myself up for success in a home within 25 miles of the City of Manitowoc's boundaries. Currently, I am 27.44 miles from the City's boundaries, just 2.44 miles too far.

The Fire service is in my blood, I am following in my fathers footsteps and could not be happier. I started my journey in the fire service in October of 2016 as a volunteer and found employment in a full time department in April of 2020. Things didn't workout quite as planned with that department but I was adamant in still pursuing the fire service. After a lot of talks with friends and research, Manitowoc Fire Rescue seemed like the best match for me. I am so happy and grateful with all my experiences with Manitowoc Fire Rescue. It has been an absolute joy working with all staff and helping our residents. Manitowoc Fire Rescue has offered me so much and I hope to have a long and rewarding career serving the City of Manitowoc and its residence.

Finally, I would like to thank you for your time and consideration with this accommodation, and I would encourage any form of contact with me if any questions or concerns arise.

Sincerely,

Tyler Tews
