Subject: Visually Impaired Sign

Hello,

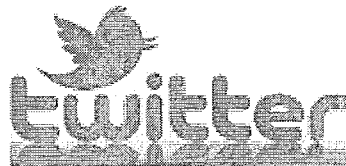

John Allen lives in the 1400 block of N. 23rd Street and is wondering if it's possible to have a Visually Impaired Person (or whatever the sign says) sign put up in his neighborhood. He has macular degeneration and is nearly blind. Could you please determine whether this is possible (I don't have a clue what the requirements are or anything) and follow up with John via phone at 901-1303? He's a really nice man – thanks!
