Subject: RE: Dept. Recommendation Form - Boeder/Tiegs Wedding Reception 9/14/19

Amber Boeder called me back. She was curious about parking availability around the park and when I explained that her guests were be able to park in any lawful parking spot subject to the restrictions of that spot, she understood. She will not be providing food or drinks at the park. A business across the street will serve guests and then they will simply be congregating at the park for a social gathering. She understands that we don't close the park for events.

I approve. She need not provide proof of insurance given the use intended.

Thanks,
Liz

All,

I left the organizer a voicemail to call me. Here are my questions:

1. Will food or beverages be served?
2. What is meant by "additional parking area?"
3. Is she expecting the park to be closed to the public during this event. (We don't do this but I want to be sure she knows that).

If food or drink aren't served, I don't think we need to require insurance as we would typical special events.

Thanks,
Liz
