**Subject:** Cawg Gator

Good Morning

I looking to purchase a V-Plow and Salter unit for # 920 JD Gator to be used in the Cemetery and as an alley Machine for winter snow removal for the streets department.

This machine will then be used year round. Also with these up-grades this will help speed up the streets removal of snow in allies on the north and south side of the city. The machine will also be stored at the cemetery for the winter, Then that department can use it to clean narrow cemetery roads that are to small for full size pick-up trucks.

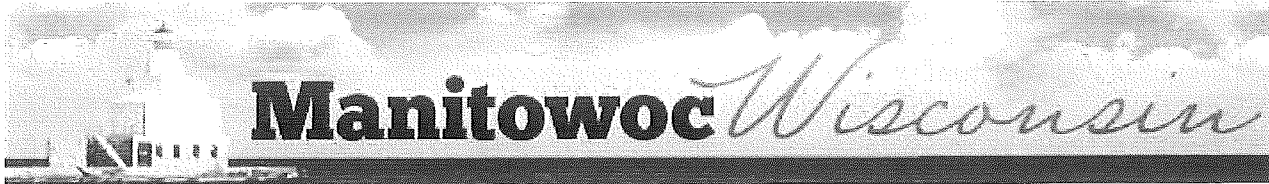

I will be looking to have EIS. Implement do the work. Due to warranty and transport time to get this work done.

Please email any questions or concerns.

Thanks Much

**Subject:** Approve: Cawg Gator

It was my understanding when the gator was purchased that the goal was to utilize it for tasks in winter as well as summer. This seems like a reasonable use assuming funding is available.
