When would you be looking to start this service project at Evergreen Cemetery? Since the stones are not owned by the City of Manitowoc, the Operations Manager, Chad Scheinoha, would like to get approval from the City's Cemetery Commission and the Public Infrastructure Committee.

Subject: Student Service Project

Hello,

My name is Danielle Ourada and I am a teacher at Lincoln High School. I teach a course called Community Relations, which supports students civic engagement and community involvement. Throughout the year, we will complete a variety of service projects. To start, my students are interested in cleaning the headstones of Veteran's in our cities cemeteries. We would travel to the cemeteries once or twice weekly (Wednesdays or Fridays) and clean the headstones

with brushes and soap that we provide. We would use water from the given locations. We would complete this service project through Thanksgiving (given the weather cooperates).

Please let me know if this is an acceptable opportunity for my students to give back to their community. I look forward to hearing from you!
