Hi Kevin-

Thanks for the email.

Let me loop in the City team and we get back to you with details early next week.

Have a good weekend!

**Subject:** External: City of Manitowoc Safe Drinking Water Loan Project

Good Evening,

I'm a new project manager with the Environmental Loans program and I've been assigned to the City of Manitowoc's (5191-13) Safe Drinking Water Loan project. I've been reviewing the application packages and wanted to touch base on a few items.

- From my understanding the project scope includes installation of new water mains.
- The project budget I have for 5191-13 is \$3,749,571. If there have been any changes to those, an updated budget will need to be signed and dated by the municipality and emailed to me.
- The construction schedule for this project is 04/12/2021 to 08/27/2021. Do you have a rough timeline in mind for when you'd like to close on the loan?

Please feel free to contact me if you have questions or if any of the information I included is incorrect. I may have additional questions further down the line but at the moment am looking forward to working with you to complete this project.

Thanks,

Kevin
