Dear Mayor and Common Council:

This letter is to confirm that I would like to be reappointed as a commissioner for the Manitowoc Public Utilities.

The primary industries of water and electric are continuing to evolve due to an increasing regulatory environment. We as a commission continue to improve the value of the MPU to the City through our payment in lieu of taxes while maintaining some of the lowest rates in the region. I appreciate the confidence the Common Council places in me and our commission.

I am always humbled by the perspectives and energy I observe in my fellow commissioners and would like to be involved in planning future strategic initiatives.

Your favorable consideration is appreciated.

Sincerely,

Dan Hornung
