Hi Chad,

Yes, let's discuss this at the December meeting. Sonja, can I trouble you to add it to the agenda?

Thanks,

Dave Soeldner | Alderman, District 8 | City of Manitowoc | 920-629-6444 | www.manitowoc.org

Dave,

Can we add this to the December agenda? This is regarding the exercise equipment along Mariners Trail. They are now proposing a different location.

If Ok I will get Sonja an attachment.

Chad,

Just following up on my previous response. If you have not already done so, feel free to present the Idea to the infrastructure committee (if you don't feel you need us there) for the location across the street from the trail near the marsh. we are still thinking 5-6 pieces of equipment and were hoping to potentially use the current pavilion structure to place them for a little sun and weather cover but are open to other options as well.

aside from location changes all other previous nuances of our offer would remain the same, installation, gifting to the city, funds for repair, etc.

Let me know if you want me to com by the meeting an I can make it happen

feel free to call or text me on my cell

Re: Request for fitness equipment along Maritime Drive

Recently Luke and Colleen from Aurora have approached the city regarding donating fitness equipment along the Mariners Trail. After discussion from various groups it was determined that the trail may not be a suitable location for the equipment. They are proposing to use a new site located at The Little Manitowoc River Walkway Park. The new site would make use of an existing, mostly unused shelter. See attached map and street view.

I went back and checked our rental records and this shelter has not been rented for at least 4 years and possibly longer.

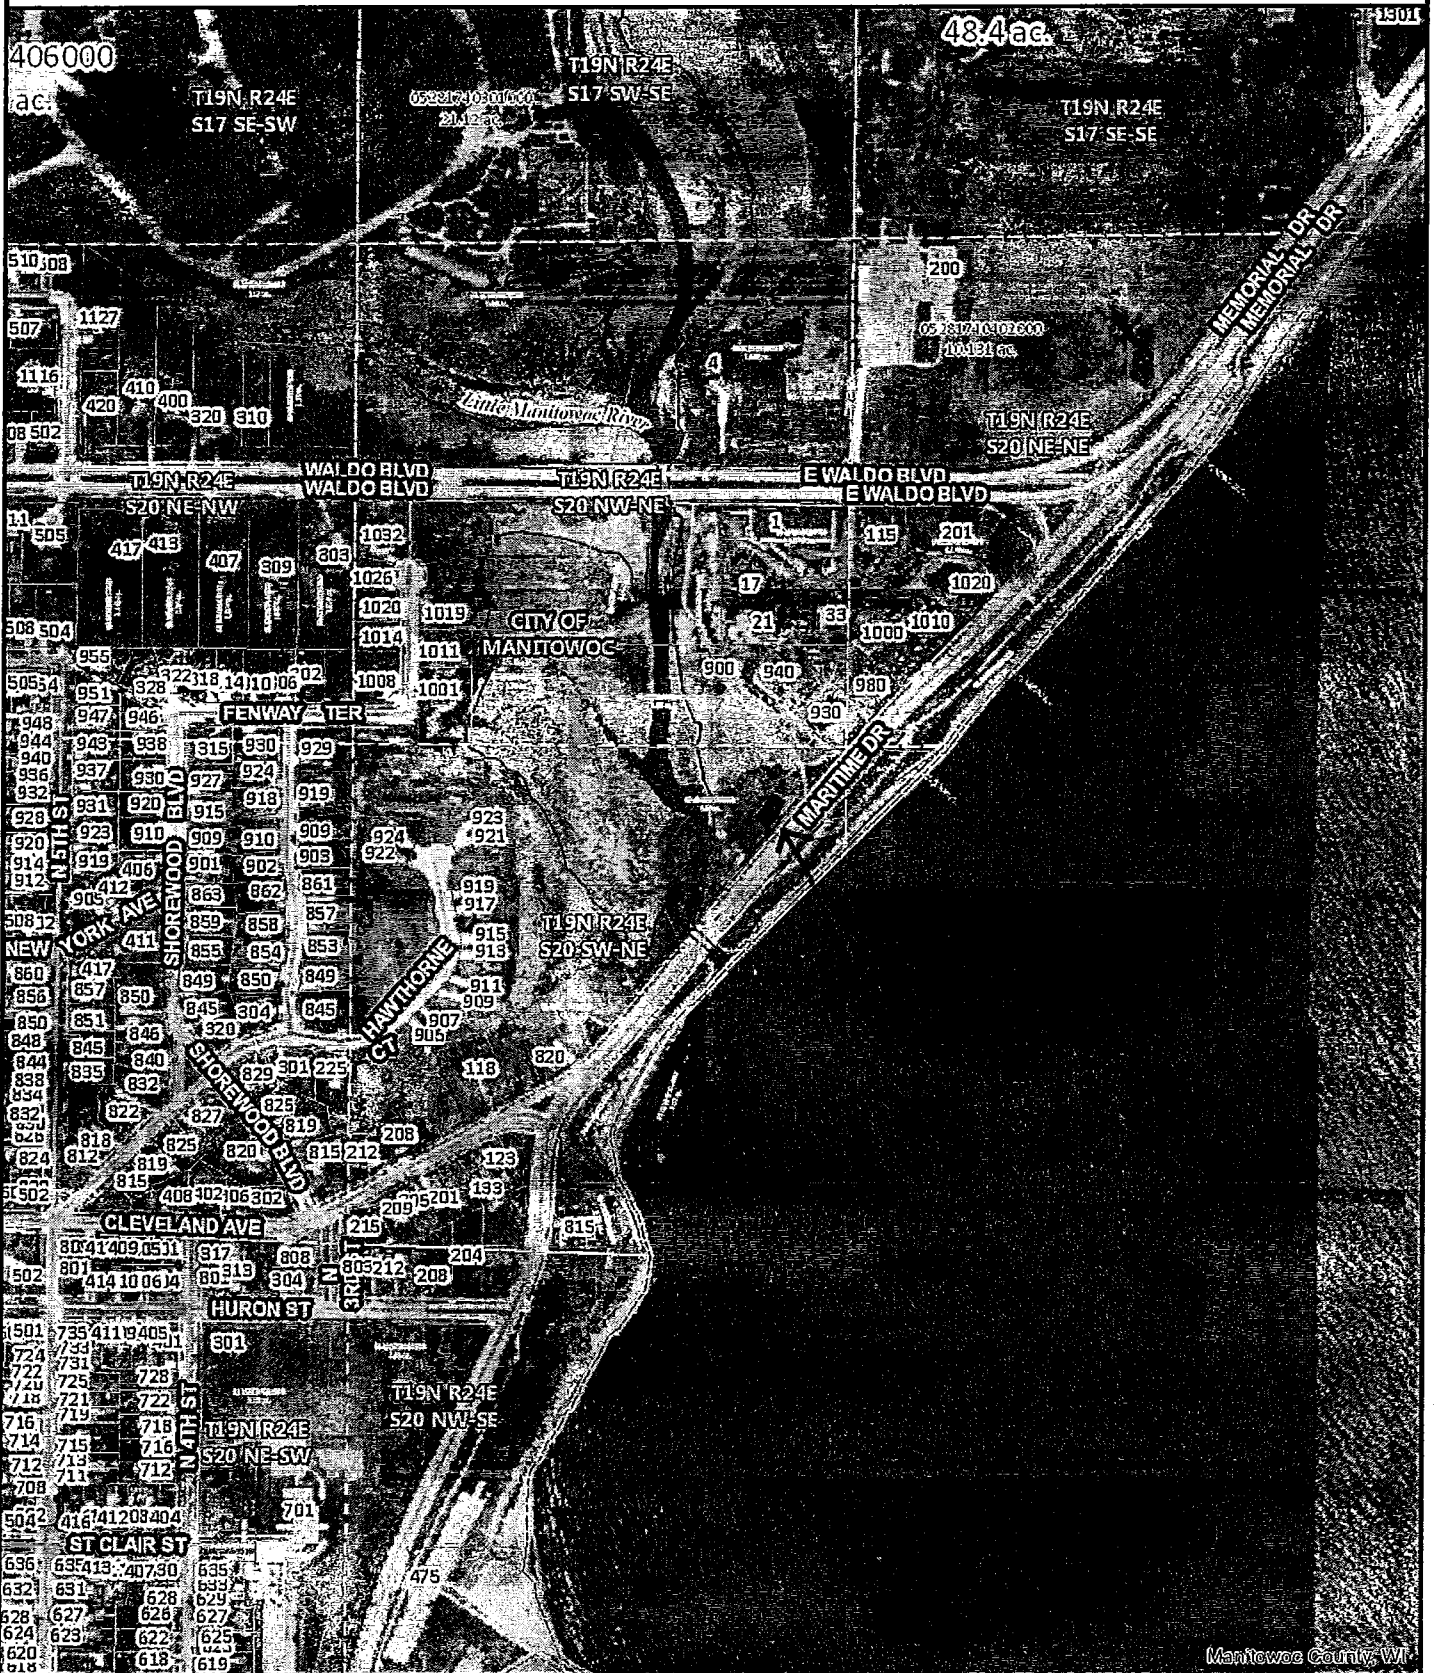

Below is narrative from Luke.
