Steve,

Please consider this email our formal request for an addition credit card for the Manitowoc Police Department.

As we discussed this morning in your office, we would like an additional credit card to be used primarily for the day to day purchases and also to be sent along with employees on extended trips in-state or out-of state. We ask that this card only have "Manitowoc Police Department" embossed on it, to make it easier for different employees to use it.

I will be responsible for this card.

Thank you for your consideration,

Rob Barbier
