Sonja,

Please add this e-mail from Erica to the PI Committee Agenda for the October 3<sup>rd</sup> meeting. This is their request for the wider driveway. Thanks.

**Subject:** Lakeside Foods S 30th St Driveway

Greg,

Lakeside Foods has started construction on our addition on S 30<sup>th</sup> St in Manitowoc. At this time we have a driveway for our frozen dock entrance that has served us well. However, with the construction and our increased business we would like to expand the driveway to cover the area that is directly in front of the dock doors. This is a small grassy area that we would fill in. This will allow us to facilitate increased truck traffic that we are seeing and the construction needs. We would expect to keep this expanded drive going forward once the construction is done.

Additionally, we are looking at putting in a temporary parking area for our employees on the North side of our property that would be used during the construction. We only plan for this during the construction phase.

Thank you,

Erica Pezold
