That would solve our issue. People are parking many times between Washington and Franklin.

Can you bring that to committee?

Chad,

This is the odd ball.

No Update is needed. See attached e-mail string.

Per the Committee, they wanted this section removed from the winter parking ban. It is still a salt route but they are allowed to park there.

If I remember correctly, several years ago we accidentally added it to the Ordinance and Ald. Brey pulled it back out.

Brey has always wanted to allow the residents on S. 16th St. from Clark St. to Wollmer St. (across from Westfield Park) to be able to park there during winter.

Perhaps, we need to update the winter parking ban ordinance to include S. 16th St. from Washington St. to Clark St. and from Wollmer St. to 650 feet north of Wollmer St.

Greg,

We found another streets that is missing and needs to be added to the salt route parking ban.

- S 16th street from Washington Street to 650' north of Wollmer Street.

Can we update this next month so that we don't miss it next year?

Chad,

Here is the current ordinance.

Let us know if any changes are required.

We would need to take this to the PI Comm. next week.
