Subject: Dispute

Hello,

We have a dispute in our office here for a Lily Meyer DOS 3/11/2015 inc # 15-0811 stating that no patient care was given and doesn't feel he should be charged. After looking at the run, no vitals and no assessment were documented, so my question to you is, do you want to leave the bill outstanding or considering no assessment was done would you like to wave the bill? If you have any questions please let me know.

Thank you

Beki McBrair
