

The City of Manitowoc is planning to construct facilities on the lands dedicated for park uses in the Silveridge Subdivision. Your input as a nearby resident and property owner is important to us in determining which types of park facilities should be provided. Please rank the following in their order of importance for the new park from your perspective at this time. One (1) being the most important, and ten (17) being the least important.

Silveridge Park Survey Results

The property owners in Silveridge were asked to submit an online survey ranking what park facilities are most important to them for the construction of Silveridge Park. The survey required the citizens to rank the importance of 17 different ideas for the park. A ranking of 1 indicated the most important feature while a ranking of 17 indicated the least importance. At the end of the survey the participant could request a facility for the park that is not included on the list.

Overall there were 15 submissions to the online survey with varying results.

As the chart to the left shows, the highest ranking facility was a playground with play structures and swings for children. A mowed area of open grass for people to walk their dogs as well as general open space activities was the second most important. A tennis court, basketball court, and nature trail all equaled about the same importance for a third feature.

Some of the least important facilities include a soccer field, disc golf course and a community garden. A public restroom is also not desired, with one citizen reporting concerns that the restroom would not be properly maintained and fall to disrepair.

The chart on the next page gives a more in-depth breakdown of the survey results, showing the playground structure receiving 1/3rd of the 1st place votes.

A place to put an ice skating rink
7/17/2015 11:08 AM [View respondent's answers](#)

Since it has taken so long to build a park, most of us with children have built our own entertainment facilities for our kids. I think you should just keep the grass mowed and leave it as is.
7/13/2015 9:55 PM [View respondent's answers](#)

Dog park would be great due to large number of dogs in the neighborhood. Or allow dogs throughout whole park.

Please consider the noise level from the emergency siren that is located next to the park when testing is done Saturdays at noon.

Would like to see all parks in town updated first before building here. When I see how the bathrooms are not taken care of at some existing parks I cringe at having bathrooms here.
7/16/2015 6:15 AM [View respondent's answers](#)

No skateboard courses.
7/15/2015 9:45 PM [View respondent's answers](#)

I believe the correct spelling is Silveridge as that is the name of the subdivision and street but I could be wrong.
7/14/2015 9:33 PM [View respondent's answers](#)

I definitely don't want a shelter/picnic area or major activity venues to attract a lot of strangers to the subdivision. I prefer you just not build it and mow the grass. Spend the money on building the new baseball diamonds and citizens park.
