Subject: RE: Miracle League field - scoreboard naming

I would sure think this needs to be discussed with and approved by the P&R Committee.

Subject: FW: Miracle League field - scoreboard naming

Anybody know anything about this, or does it just need to go to the Park & Rec Committee?

Dan and Greg, I had asked about this a few months back, but had neglected to follow up. We have an inquiry about sponsoring/naming rights for the scoreboard (something that we did not do in Appleton) but would be open to here, if it was OK with city/parks policy. Are there any rules or parameters for that? Thanks -- Nancy

Blue is fine with me, to fit with the Maritime theme.

Dan

Good morning, all! When I communicated yesterday, I didn't know the required timeframe for our decision, but now learned that there is an 8 week lead time for the order – so our construction folks will be helped if we can decide by tomorrow, if possible.

PS: Like Greg, the Miracle League volunteers are leaning towards the blue (basic color of the ML logo, plus some contrast with the field surface which will be primarily green)

Hi Nancy,

Spring sounds good and it will be wonderful when it finally gets here. It has been a long winter already.

As far as colors, I believe that we would prefer blue, however, I would like to defer your questions to Chad Scheinoha the new operations team leader for the Park's Division and also our new Director of Public Infrastructure, Dan Koski. I have copied them on this e-mail as well as Denise Larson, the Recreation Team Leader.

Dan, Chad & Denise:

Please let Nancy know if we have any parameters that we would like for the dugouts and bleachers. Thanks.

Good morning, Greg – we're thinking spring here, and one of our upcoming tasks is to order the bleachers and dugouts for the field. We're bouncing around blue or green as colors for the bleachers and dugout roofs, and wanted to also check to see if the City had any parameters. Can you let me know? Thanks -- Nancy
