Dear Kevin:

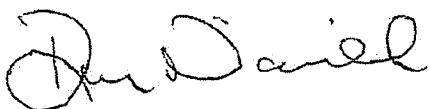

As has been our custom in the City of Manitowoc over the last number of years, I am requesting permission to erect three crosses on the hillside located at Evergreen Cemetery facing North 18th Street during the following time period:
April 13, 2014 through April 22, 2014.

Recently, Wisconsin Public Service installed new natural gas lines in the area. The installation of the new gas lines are approximately 30 feet from the location where the crosses are to be placed. I will be responsible for securing all utility locates and will return the property to its original condition.

Thank you in advance for your consideration of this request.

Please email or call me at your convenience.

Sincerely,

David J Naidl
