Andy,

Thanks for your inquiry!

One quick question. Do you live in the city limits of Manitowoc (the board required residency).

Thanks!

Mayor Nickels,

My name is Andrew Myers. I worked the corner of last Saturday's cross country meet with you.

I am a 23 year resident of Manitowoc and local educator. I read recently in the Herald Times that there are vacancies on the Library Board. As a voracious reader and promoter of life-long learning, I would appreciate an opportunity to help any way I can.

I do not know what the process of appointing board members entails, but please know that I am willing and able to serve.

Sincerely,

Andy Myers
