Good Morning, Curt!

I've enjoyed my time on the City Zoo Board representing the Lincoln Park Zoological Society. However, I'm notifying you that I don't plan on renewing my position on the board. With the recent retirement of Denise Larson and the possible restructuring of her position, I thought that this would be an appropriate time for me to vacate. Please be assured that I'll continue my support of the Zoo through my presence in the Zoological Society.

Best regards,

Douglas Koch
