Subject: Holiday House

Hi, my name is Jessica Lambert and I am a case manager at Holiday House. Last week Friday one of my members was almost hit by a car when walking across the street to go to Kwik Trip for lunch. Luckily, a co-worker of mine was outside with him and got him out of the way and called the police with the driver's license plate. This is not the first time I have heard of cars not stopping or taking extra caution. I feel very strongly that this area is in need of a sign to remind drivers to slow down or a flag that our members can carry across the street to remind drivers to take extra caution and keep our members safe. I am unsure of the rules of getting a sign or if it is even a possibility. But it is my job as a case manager to provide the best care I can to them with the safest options. Please let me know if this is a possibility. I believe the Special Olympics would provide funding for the sign if this is possible. Thank you so much for your time. ☺

Feel free to call me if that is easier. My number is 920-682-4663. You'll have to ask for Jessica Lambert, as we do not have direct lines. I will be here Monday through Friday next week at 7:30-3:00.

Take care and drive safe in this weather! ☺

Jessica Lambert
Case Manager
Holiday House of Manitowoc County, Inc.
