Mayor Nickels and Chairman Kummer,

How would you like me to respond to this request to meet with Manitowoc City Staff about the potential for the Route of the Badger to extend into our City? What action would you like me to take? This is follow up to our PI field trip Oct 10th.

Thank you for your response.

Hi Rhienna,

So nice to meet you and Jeremiah last week. Moving forward i would like to offer to come up to Manitowoc to present to whomever you think would be interested in the Route of the Badger. i can make myself available for morning, afternoon or evening meetings, not a problem. If you would like me to start with some dates i am happy to do that.

Regarding the resolution for support of Route of the Badger. Would you be willing to help me write a first draft?

Again, great to meet you and thank you for the DNR Trails Network plan.

Best,

willie
