Subject: Notification of Proposed Revocation of Air Permits

Dear Mr. Connor:

The Air Management Program of the Department of Natural Resources (DNR) has performed a review of the Air Permit revocation request received on December 27, 2016. Additional information was received on March 9, 2017. You requested the revocation of the following permits because it is a requirement to be eligible to apply for coverage under a Registration Permit:

Air Permit Numbers: 99-MHR-050, 02-MHR-155, 09-JJW-130, and 436018660-F11

Name of Source: Shipbuilders of Wisconsin, Inc. (dba Burger Boat Company)

Street Address: 1811 Spring Street
Manitowoc, Manitowoc County, Wisconsin

The purpose of this letter is to provide written notification of the proposed revocations to the permit holder and other persons listed in s. 285.61(5)(a)2. to 5., Wis. Stats., as required by s. NR 406.11(3), Wis. Adm. Code, for construction permits and the persons listed in s. 285.62(3)(b)2. to 7., Wis. Stats., as required by s. NR 407.15, Wis. Adm. Code, for operation permits. The Air Management Program has analyzed the request for a permit revocation and has preliminarily determined that the request is approvable.

After the end of the 21-day Notification period, DNR will make the final determination on whether or not your existing permits may be revoked and continue with the Registration Permit application process. Please be advised that this is only a preliminary determination. None of your permits will be revoked until a decision on Registration Permit coverage is made.

If you have any questions regarding this matter, please feel free to contact Alexander Torres by telephone at (608) 273-5605 or by e-mail at Alexander.TorresNegron@Wisconsin.gov.

Sincerely,

/s/ Alexander Torres 3/28/2017
