I. PURPOSE

The purpose of this policy is to provide a framework for the seasonal employment process including: recruitment, selection, training, and performance evaluation. This seasonal employment process is different from that of the City's regular employment processes because the department supervisors are empowered to make hiring decisions for their seasonal needs. The City of Manitowoc establishes clear and consistent guidelines to assist City supervisors and to ensure equal and unbiased treatment of all applicants and employees.

II. POLICY

The City of Manitowoc will recruit and select the best qualified persons for positions within the City. The Human Resources Department is responsible for developing and facilitating an active seasonal recruitment and selection program designed to meet the current and anticipated City departments' seasonal employment needs. The procedure will be consistent with Affirmative Action goals and will comply with all Equal Employment Opportunity guidelines.

III. PROCEDURES

1. **Recruitment:** When it is determined to be in the best interest of the City of Manitowoc, seasonal employees may be hired as budgeted. Such employees shall not be eligible to receive City of Manitowoc fringe benefits unless specified. The department shall establish position descriptions for each seasonal position within their department. The position descriptions must be approved by the

Human Resources Department. Seasonal position pay rates will be established by the Personnel Committee.

2. Hours: No seasonal employee shall exceed 1199 worked hours if they do not have creditable service with a WRS employer prior to July 1, 2011 (599 worked hours if they have creditable service with a WRS employer prior to July 1, 2011) in any 12-month period unless previously authorized by the Personnel Committee. Payroll shall monitor the hours worked by each seasonal employee, and notify the affected department, so as not to exceed the applicable maximum. In the event a seasonal employee exceeds the applicable maximum, the employee shall be enrolled in the Wisconsin Retirement System (WRS) and shall be responsible for payment of the employee portion of the WRS pension payment. Employees shall not work more than 40 hours per week except in bona fide Fair Labor Standards Act qualified recreational positions (*See Appendix A*). If an employee's position is listed on *Appendix A*, all hours worked over 40 hours per week shall be paid at straight time. If an employee is in a position not listed in *Appendix A* and works more than 40 hours in a week, he or she must have prior department head approval and shall be paid at a rate of one and one-half time for each hour worked in excess of 40 for that week.
3. Advertising and Publicity: The Human Resources Department shall post the openings for online applications. This is normally done beginning in February. Advertisement shall include publication on the City's website and other methods of publication as deemed appropriate by the Human Resources Director to ensure that a diverse population has access to the postings. During all other times of the year, departments shall determine their recruiting needs. The Human Resources Department will work with the departments to post the positions. Solicitation of applications by "word of mouth" only is not appropriate as a means of advertising to a diverse population.

4. Application Process: All City of Manitowoc seasonal applications for employment must be completed online through the City website. Resumes will be accepted only as a supplement to the application, not in lieu of an application, and must be attached to the online application. Returning seasonal employees must re-apply through the City website.

Applicant Tracking: When a completed application is received by the Human Resources Department, the application will be tracked. Tracking is completed through the City's application management system, NeoGov. Hiring supervisors will have access to view applications and communicate with Human Resources about candidates they wish to interview.

5. Candidate Selection: The hiring supervisor will screen the applications based on the job requirements outlined in the position description. After selections are made, candidates will be scheduled for an interview. All candidates for similar positions will be asked the same questions. "Fair Hiring & Avoiding Loaded Interview Questions" must be reviewed and adhered to by hiring supervisors (*See Appendix B*). All applicants not chosen from the interview process will be notified.
