Alderman Brey,

I am requesting this item be on your next Finance Committee agenda for Monday, June 24th.

Hi Mayor Nickels,

I know the building trades has a meeting set up with you soon however, I will not be able to attend. I wanted to forward the responsible bidder language that we have been sending to other communities in the area for you to look at. We are hoping that communities will see the value in it and consider adopting it. If you would like to discuss it at some point please give me a call.

Thanks,
