Greetings Stacey,

Yes, I will do whatever needs to be done for our May meeting. I will abstain from voting for the secretary and chairperson role. I have served on the committee for twelve years and have been chairperson for ten, I think it is best for me to now move on.

Sincerely,

Anthony Mack

Good Morning Tony,

Thank you for sending the minutes from yesterday's meeting.

I will look into the process for getting a new chairperson/secretary, and will be in touch about that this week or next week. You noted that your term ends in June...would I be correct to assume you plan to stay on until then as Chair? And when your term ends, do you wish to remain on the committee as a member, or would you prefer to come off the committee completely?

I'll discuss with Mayor Nickels to determine his thoughts on meeting in the summer months, and I'll add it to the agenda for next month as well.

Greetings Stacey,

My term on the Citizens Advisory Committee ends as of June of 2018. Therefore, if you could inform me of the process to elect a new chairperson and secretary it would be greatly appreciated.

Theresa Collins would like to discuss the idea of having the CAC meet over the months of June, July, and August. With electing a new chairperson and secretary and bringing the issue of continuing over the summer

months I recommend we do not have a presenter besides the mayor for our meeting so we can get through things in a timely manner.

Attached you will find this month's committee minutes.

I has been a pleasure to work with you. Thank you for all your help and guidance over our time together.

Sincerely,

Anthony Mack
