Re: Sex Offender Residence Appeal for Placement at the Department of Corrections Transitional Housing Service

Subject: Juan Salinas

Mr. Juan Salinas is scheduled to be released from the Manitowoc Co. Jail on extended supervision on 4-24-16. He stands convicted of Repeated 1st Deg. Sex. Assault of Child in violation of Wisconsin State Statue(s) 948.025(1)(a). Mr. Salinas lived in Manitowoc County when he committed his offense, but did not live in the city of Manitowoc. Upon release from the Manitowoc Co. Jail, he will be indigent, with no residence or familial support to rely upon. Mr. Salinas was initially released to Extended Supervision on 6-10-2014. He has been a resident in Manitowoc since that time.

Prior to the sex offender residence ordinance, agents in the Manitowoc Probation/Parole Office routinely utilized the Transitional Housing Service for placement of registered sex offenders transitioning from prison back into the community. Due to the sex offender residence ordinance in the City of Manitowoc, Mr. Juan Salinas is not currently permitted to reside here.

At this time, I am requesting approval to allow Mr. Juan Salinas to reside at 1118A South 19th Street, the Department of Correction's Transitional Housing Service residence, until he is able to secure a permanent residence. Per Department policy, Mr. Juan Salinas would only be allowed to stay at the residence for a period of up to 90 days; this residence is intended for the temporary placement of individuals on supervision as they transition into more stable/suitable housing.

I look forward to hearing from you at your earliest convenience.

Sincerely,

Robert Schneider, Agent #40901
Department of Corrections
