PUBLIC INFRASTRUCTURE COMMITTEE
900 QUAY STREET
MANITOWOC WI 54220

Dear Committee Members:

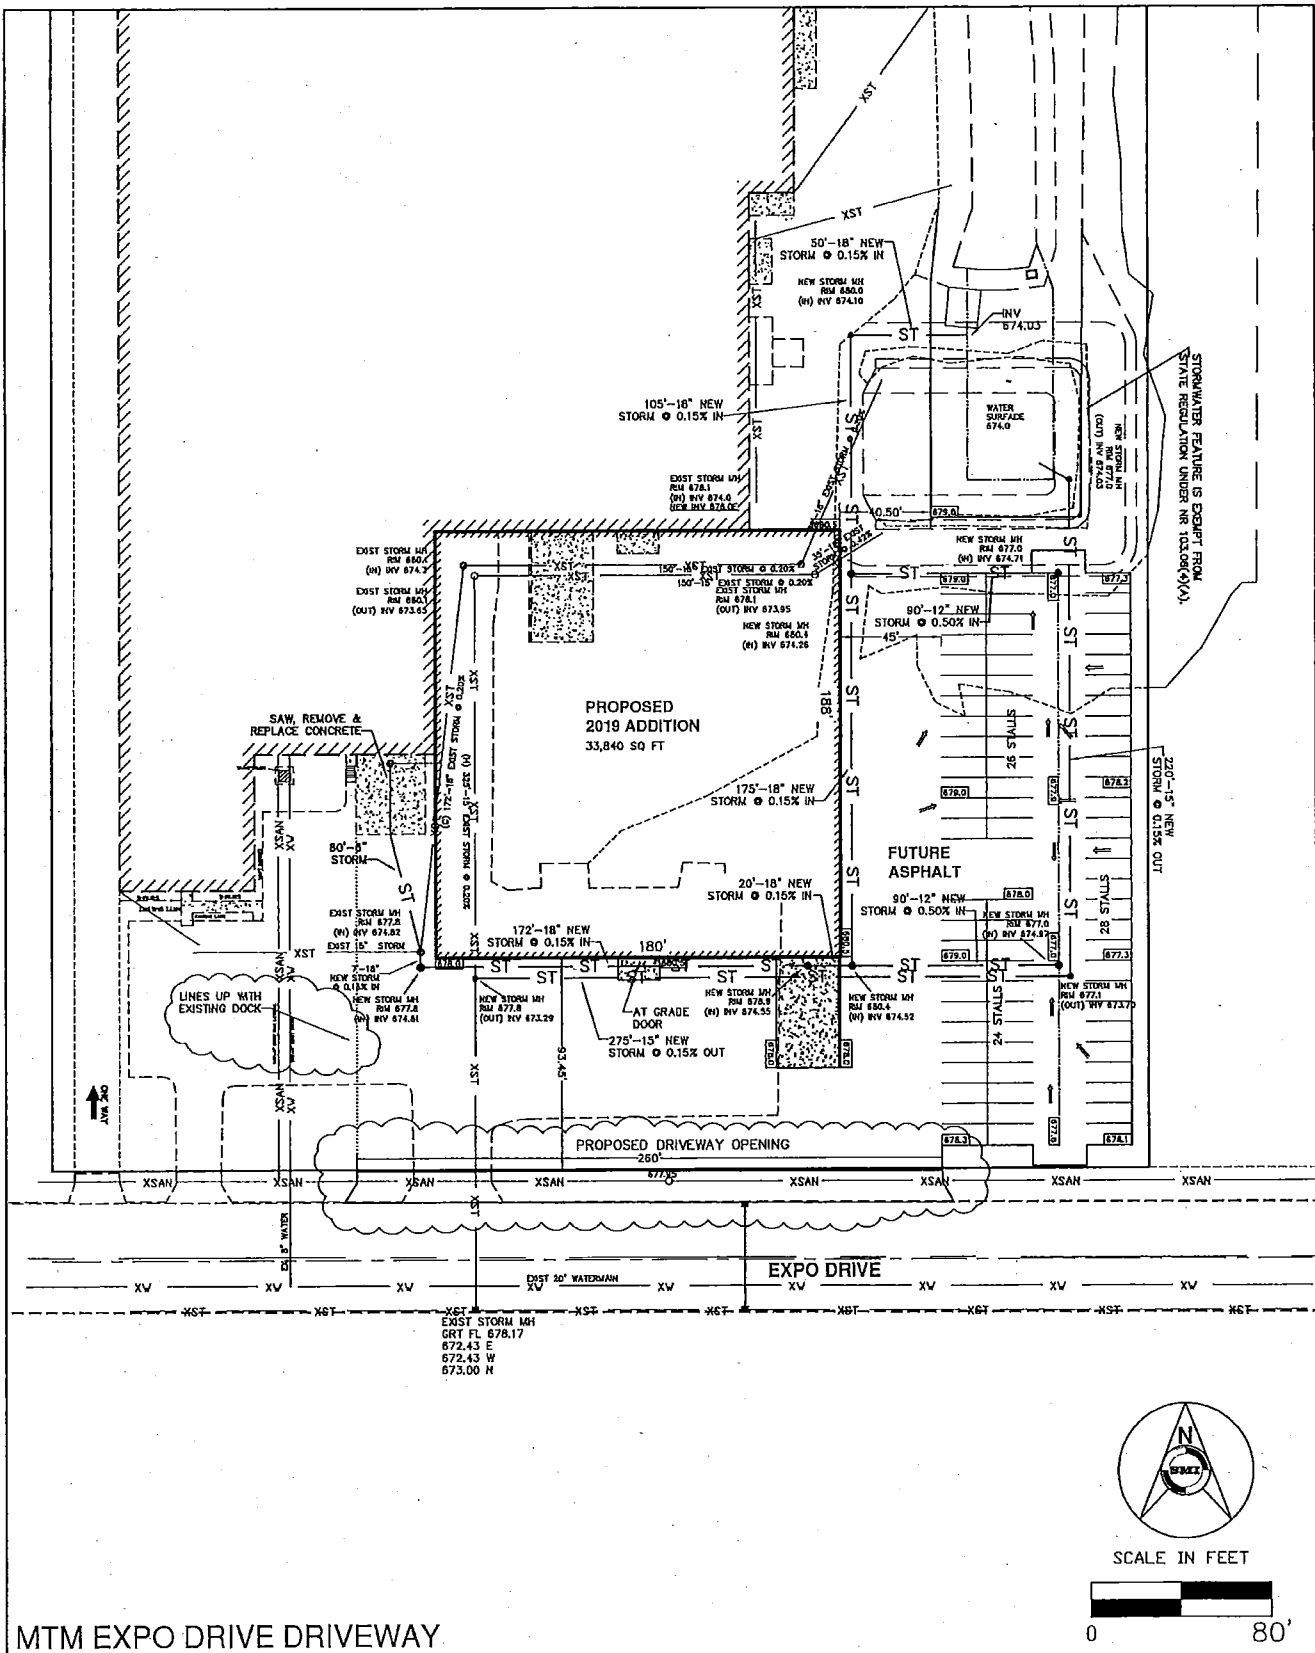

As representatives of MTM we are hereby requesting a driveway opening larger than 35 feet for the MTM plant at 4330 Expo Drive. MTM is planning to maximize its facility with an addition in 2019. The larger driveway is required for semi maneuvering. MTM is requesting a 260-foot-wide opening similar to the 200 foot opening that was built across the street at the new Kerry Red Arrow plant.

Very truly yours,
SMI, INC.
