

Terry stopped in and dropped off this letter to make sure that Luthern High School is still allowed to be exempt from plowing their sidewalks around the football field. He dropped off a letter for Council and The Mayor. He would like a phone call back regarding the letter.

Mr. Paul Radue
Grounds Committee Chairman
Manitowoc Lutheran High School
Box 10

Dear Mr. Radue:

As regards our recent conversation relative to the Manitowoc Lutheran High School snow removal exemption on that section of sidewalk which borders the football field, I submit the following:

The City Council has directed that this be a permanent exemption until such time as the Manitowoc Lutheran High School requires the aforementioned properties to be used for other than recreation or agricultural uses.

I hope the above clears up my letter of January 3, 1983, but certainly it is the intent of the City Council to alleviate sidewalk snow removal wherever possible.

Very truly yours,

Anthony V. Dufek
