This is for the **Transit Commission**. Neil Halonen has decided to remove himself from the Transit Commission. In his place, please appoint:

Pat Naumann  
3509 Pierce Ct  
Two Rivers WI 54241

Term- Indef.

Pat and her awesome guide dog Verdy will soon be retiring from the Directors position at the local Social Security Office. She is very interested in the Transit System.

There is not a rush on this appointment. The JULY Council meeting is fine.

Thank you.
