Subject: **Request to reimburse funds from Community Built Playground Maintenance Fund**

I would like to request that \$3,558.00 be reimbursed to the general fund from the Henry Schuette Community Built Playground Maintenance Fund given to the City of Manitowoc by Friends of the Park, Inc. The current balance of the fund is \$55,759.17.

All of the work is for the playground area inside the picket fence. These repairs were discussed with the Park and Recreation Committee at the October 27, 2015 meeting. Hamann Construction Company was then hired to complete the following:

- Replace recycled wood in select areas
- Repair benches along outside area of playground (within fence)
- Install kick plate at low ring area
- Repair music chimes at lighthouse
- Repair climbing wall parts
- Replace missing cap posts
- Repair some deck boards
- Install window in castle tube slide
- Replace chain and rubber safety tubes
- Repaint red warning grooves on boards
- Repair wooden bridge boards and chains
