

Manitowoc Church of Christ

1109 North 17th Street
Manitowoc, Wisconsin 54220
Phone 920-973-1235

The purpose of this letter is to request some "No Parking" space in front of the Church of Christ at 1109 North 17th St, Manitowoc. We recently had a wheelchair accessible approach installed by Seiler Concrete going from street level, up to sidewalk level.

Enough "No Parking" space to accommodate a vehicle pulling up and dropping off wheelchair bound and otherwise impaired people at that approach would be much appreciated. (Two or three car-lengths). We would be happy to pay any cost for signage and labor to install.

This would be similar to businesses which have signs which read "No Parking-Loading Zone"

Another option would be signs which read "15 Minute Parking Between Signs"
You may have better ideas as far as signage to achieve our purpose.

We have no property available for off-street parking, and this would help alleviate otherwise potentially dangerous situations.

Signs restricting parking on Sunday morning would be sufficient if you think 24/7 restriction are excessive.

Thanks for considering this!

Guy Gustafson
