**Subject:** Proposed Parking Change On South 13th Street

Hello Alderman Able and Sitkiewitz,

As I mentioned last week, I received a call from representatives at Maritime Ford regarding the parking situation along the east side of their used car lot located on the corner of Franklin and South 13th Street.

They are requesting that there be no parking at anytime on the west side of the 800 block of South 13th street from their driveway to the corner of Franklin Street. The specifics of why they want the change can be discussed at the meeting.

As the Alderman who represents this area, I told them I would bring the request before the Public Safety Committee for initial consideration.

Please let me know when this will be considered by your committee so I can inform the Maritime folks who wish to attend.

Thanks!
