To whom it may Concern,

I am writing to you today to request signs be put up by InCourage Domestic Violence and Sexual Assault Center, located at 300 E. Reed in Manitowoc, warning drivers that there are children.

InCourage always has children in shelter, and Reed Avenue is a busy thoroughfare. What we are asking for is two signs to be placed near InCourage so that drivers are aware of the presence of children. It is also worth noting that InCourage is a school bus stop.

If you have any questions, please don't hesitate to contact myself or our executive director, Sara Meier, at 920-684-4661. Thank you much.

Sincerely,

Jason Granger  
Fund Development and Community Relations Director

Please note that in accordance with IRS regulations, we confirm that no goods or services were provided by the Domestic Violence Center in exchange for this contribution.
