IV. PUBLIC INFORMATIONAL HEARINGS

15-989

PC 29 - 2015 Lakeside Foods Inc. ; Request for a Change in Zoning From I-2 Heavy Industrial to R-6 High Density Multiple Family for property located along S. 30th Street.

Mr. Braun introduced the item to the public. Lakeside Foods would like to construct a multi – tenant housing structure which would provide seasonal housing for approximately 6 months of the year for some of their employees. The building would provide housing for up to 48 individuals. Currently Lakeside is busing, on a daily basis, some of their employees from Racine. The building would have a common kitchen, dining and restroom facility. There would be 12 sleeping quarters with four individuals per sleeping quarters.

The property is currently zoned I-2 Heavy Industrial which does not allow multi-family uses so Lakeside is requesting a rezone to R-6 Multi-family. The proposed building does not provide private bathrooms and kitchens and would technically be defined by the Zoning Code as a Rooming House. The definition of a rooming house in the Zoning Code is "any building or part thereof other than a hotel, motel or bed and breakfast facility, with sleeping rooms for lodgers which do not contain private bathroom facilities, are rented for

compensation, and where meals may or may not be provided for the lodgers." In an "R-6" multi-family zoning district rooming houses are permitted uses.

Lakeside Foods has had to shut down some production lines in the past on account of lack of workers. They have similar facilities throughout Wisconsin and are familiar with maintaining facilities. There have not been any concerns brought forward from the surrounding community.

Alderman Brey opened up questioning to the Commission. Discussion pertaining to the living arrangements for the workers and parking ensued. Mr. Koski stated that Lakeside had a facility in New Richmond, Wisconsin and he was not aware of any complaints when he worked for the City of New Richmond.

Alderman Brey opened up discussion to the public. B. Eernisse from Lakeside Foods explained their operational plan and answered questions from the Commission. It was noted that Lakeside's house rules document and positive track record in other communities addresses all the Commission's potential concerns. Public input was closed.

Moved by Diedrich, seconded by Koski, that the Council instruct the Clerk to call for a public hearing on this matter to be scheduled for October 19, 2015 and that the Commission further recommend final approval of the zoning ordinance amendment upon completion of the public hearing. The motion carried by the following vote:
