Council,

Thank you for those who participated in the last council working session that dealt with parks and trails. I thought that the conversation was very constructive. I know that staff appreciated the conversations and direction based on the feedback I received.

I have scheduled a COW working session on Thursday July 25th at 6pm. The topic will be road infrastructure projects. If you have any items that you specifically want to address during the meeting, please email myself and Mackenzie.

Thank you,

Eric J. Sitkiewitz
