To whom it may concern,

This is the Manitowoc Heat's formal request to have a flat fee of \$400.00 to use Municipal Field for the 2017 baseball season. As we did last season, we will drag the field before and after every home game to reduce the amount of labor required by the recreation department to keep the field looking as great as it does.

The Manitowoc Heat Baseball team is honored to be able to call Municipal Field home for the 9th season.

Thank you,

Andy Froehlich
