RE: Additional Revisions to MMC § 16.150

On October 11, I was made aware of several minor revisions needed to the previously reviewed changes to MMC § 16.150. These changes are:

1. Definitions Section has been updated to incorporate definitions contained within the Wisconsin Statutes where needed.

*(2) **Definitions.** The following definitions shall only apply in the interpretation and enforcement of this chapter. Wisconsin Statutes shall be incorporated without specific reference where terms require further interpretation.*

2. Section 16.150(7)(c) regulating Premises Identification has been modified because City staff have historically provided residents house number stickers that are 3” tall rather than 4” as previously required in the original amendment.
3. Section 16.150(10)(e) regulating Public Hall and Stairway Lighting has been modified to correct a typo. Instead of requiring lighting from one hour before sunrise to one hour after sunset, daylight hours, we now require lighting from one hour before sunset to one hour after sunrise.
