Manitowoc WI 54220

Dear Greg,

Regarding Manitowoc's 2022 Televising Miscellaneous Sewers II, Contract WU-22-25.

Green Bay Pipe & TV, LLC did not notice the incorrect language on the bid form until after the project was bid. Reading the spec, it was fully understood the city wanted both sewer cleaning and televising. Had we been successful, the city would have received both services as we have always provided in the past.

Our schedule is very tight right now. It would have been a real challenge to fit this project into our schedule and finish in the time allowed. Our current obligations along with inflation, namely fuel have forced us to raise our bid prices.

Thank you,

Stephanie De Keyser
President
