**Subject:** Request for Painted Parking Stalls in the 800 Block of State St.

Jeff Leifer (920-242-9058) is the person that called to request the City to paint parking stalls in the 800 Block of State St. just like we did at 910 N. 8<sup>th</sup> St.

Jeff lives at 811 State St.

I think he is the only house in the block. The rest of the block is churches and businesses, so I would say that this is a reasonable request.

Sonja,

Please call and invite Jeff to the June 6<sup>th</sup> PI Committee Meeting. Thanks.

**Subject:** RE: PI or Public Safety?

I did not get the voicemail so I do not have the specific request, but if this is a request for pavement markings, I feel that this request should go to the PI Committee.

My normal thought process has been any issues that require an Ordinance change must go to the Public Safety Committee.

Pavement markings generally do not require an ordinance change.

Ordinance changes are required for the following types of requests, speed limits, stop signs, yield signs, any parking restrictions (no parking, 1 hr. parking, 2 hr. parking, etc.), angle parking, one-way streets, etc.

We have taken up parking lines in past meetings.

Greg?? Where would you like this to go?

I am assuming this is something that will have to be placed on the Public Safety agenda. I will give him a call.

Sonja – If you are thinking something different let me know.

Hi Amber and Sonja:

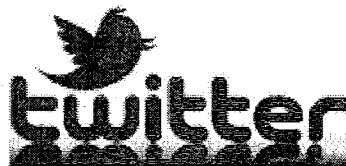

Please listen to the voicemail I'm sending over to you, and let me know which of you this should go to, and what the next steps are. Thanks!
