Subject: Next PI Committee Agenda - Silver Creek Fieldhouse rental fees

We found out today (when someone from the Chamber of Commerce called) that the Silver Creek Fieldhouse renovations should be completed by June 20th (approximately 2 months early). I spoke to Chad about this, and we will need to have some new rental fees in place by then, because as I understand it, the facility will have two rental areas instead of one. Therefore, we will need to have something for this on the next P.I. agenda, please.

Thank you,

Sandy Ronski
