Earlier this year, Engineering Division Manager Greg Minikel shared that he had a discussion with Lincoln High School Principal Hoffman about enhancing the safety of the surrounding buildings. Greg also mentioned that in August, the school replaced the driveway leading to the JFK handicap parking lot; however, a portion of this new pavement would need to be removed to create an ADA-compliant crosswalk. Currently, it is unknown whether the school district is still interested in installing the crosswalk, as Principal Hoffman was absent from the meeting. A motion was made to place this item on file.

Moved by Reckelberg, seconded by Cummings, that this Request be placed on file. The motion carried by the following vote:

Aye: 5 - Beeman, Reckelberg, Cummings, DeBaets and Anderson

[Inventory of City Intersections \(Controlled & Uncontrolled\)](#)

[Realistic Speed Limits and Stop Signs, Etc.](#)

Alder Reckelberg introduced this topic after encountering a social media post about an accident that took place in the City of Manitowoc. This post sparked a conversation regarding the number of uncontrolled intersections in Manitowoc compared to neighboring cities. Alder Reckelberg proposed the formation of a subcommittee to examine the city's intersections for inconsistencies.

A motion was made to create a subcommittee tasked with reviewing intersections across the City of Manitowoc and assessing the current signage. Alder Reckelberg will lead the development of this subcommittee in collaboration with city staff.

Moved by Cummings, seconded by DeBaets, that this Communication be approved and referred to Council. The motion carried by the following vote:

Aye: 5 - Beeman, Reckelberg, Cummings, DeBaets and Anderson

Inspection Supervisor Bill Nichols clarified that the updated fee schedule aligns us with the State fee schedule as a delegated inspector.

Moved by Reckelberg, seconded by Cummings, that this Resolution be approved and referred to Council. The motion carried by the following vote:

Aye: 5 - Beeman, Reckelberg, Cummings, DeBaets and Anderson

[25-0743](#) Installation of traffic signs at the intersection of Columbus Street and South 9th Street.

Attachments: [Columbus St. and S 9th St.](#)
[Columbus St. and S 9th St.](#)

Alder Cummings clarified that this intersection can be quite confusing. Vehicles traveling north on South 9th Street often assume it is a four-way stop and begin to pull out, mistakenly believing that vehicles on Columbus Street will stop. Alder Cummings made a motion to make the intersection of South 9th Street and Columbus Street a four-way stop. This motion failed for a lack of second. A second motion was then made to place the item on file.

Moved by DeBaets, seconded by Anderson, that this Request be placed on file. The motion carried by the following vote:

Aye: 4 - Beeman, Reckelberg, DeBaets and Anderson

Nay: 1 - Cummings

6. Adjournment

A motion was made by Alderperson William DeBaets, seconded by Vice Chair Todd Reckelberg, that this meeting be adjourned at 6:26 p.m. The motion carried by the following vote:

Aye: 5 - Beeman, Reckelberg, Cummings, DeBaets and Anderson
